ECnet esteemed among CIO 100 Honourees

With the ushering of a brand new year, ECnet has kicked off the New Year with a good start! It has been ranked as among the top leading 100 companies by the CIO magazine for being one of the most strategic IT companies in the region. This definitive list of 100 companies recognises organisations that have achieved their 2001 goals by creating breakthroughs in product development, relationship building and process management with IT.
